“PLAYING FOR CHANGE”

Our mission is simple: “**to make the world a better place**”. Using today’s cutting edge technology we bring together like minded people to help achieve our goal through philanthropic initiatives that will make an impact today and in the future.

This is our planet, our children and our future!

Doing all we can to make the world a better place is our obligation and our privilege!

GameWork!ng is beginning a **Planetary Marketing** journey... building a unique platform for raising capital and advancing education to ensure the continuance of what we hold so dear. We have an engaging array of interactive systems that will accomplish these goals unlike anything before.

We hope you will follow our progress with **RainForest Quest**, assisting in Saving the RainForests, while finding it fun and profitable (Yes, our Players have the opportunity to earn money while having fun, becoming educated and playing our games).
